Randy, at this time we are not prepared to complete and send these letters. We will continue to meet with the staff, update them on site progress and activity, and include them in the process as we move forward with the investigation. Please hold any letters for ITEC.

thanks

Katrina:

Attached are the edited letters for your review. Mark and I will work on a separate letter for ITEC (Jason White).

Please contact Mark and/or me if you have questions.

Thanks,

Randy

Mark, please find attached a draft consultation letter for the Wilcox Oil Company Superfund Site. I have included a few questions that I have regarding process and text. Please send all edits and I will revise.

Also for reference two fact sheets and two maps are included.
